

SEFIHEAN.COM fixies

ABOUTS PAGE

<http://sefihean.com/about.html>

To replace the 10 PORTRAITS with the NEW 10 PORTRAITS i will give you

http://sefihean.com/about/about_gia-gangster.html

When you click EACH PORTRAIT the entered page has a lot of words.....

replace those words with my words i will give.

New background I will also give, and inside each CLUB background I will provide.

http://sefihean.com/member_code.php

Replace the background to this page with images i will give you....

http://www.sefihean.com/the_club.html

Also ensuring this MEMBERSHIP function works until the end....

it really working? For all 10x.

TRY REGISTERING THE MEMBER SHIP HAS TO WORK 100%.

PRODUCT PAGE

<http://www.sefihean.com/product.html>

Entering ALL 10 buttons will see ALL contents CENTRALISED.

ALL 10 page MUST have a SCROLLING GALLERY that PLAY BACK VERY SMOOTHLY.

Replace EACH PNG background with background I will give you

Ensuring ALL ecommerce ACTUALLY STILL WORKING. We will test it out soon.

I will give you new videos to UPLOAD into the new GALLERY and hope it AUTOPLAYS working without GLITCHES.

REQUEST PAGE

<http://www.sefihean.com/request.php>

(delete CHOOSE FILE and NO FILE CHOSEN) texts.....replace with "ATTACH"

ELONGATE the MESSAGE BOX lower and have the SEND button MIDDLE of the bottom.....without CROSSING FANCY FRAME

Ensure this message goes to the CORRECT email intended in its html codes.

CONTACT PAGE

<http://www.sefihean.com/contact.html>

Ensure none of the 10 boxes length passes the edge of the 5 buttons BENEATH.

Ensure this message goes to the CORRECT email intended in its html codes.

Ensuring EACH one of the EMAIL sent from EACH categories goes to correct pre-coded emails.
